REPORT OF DIRECTOR

Ms. Southard invited Deb Noggle, Manager of the Tecumseh Branch and Jennifer McKinney, Assistant Branch Manager, to give the board an update on activities at their branch. Fort Wayne Community Schools begins their free lunch program in the summer and Tecumseh is one of their feeding sites. In one day, Tecumseh serves lunches to 80 kids. Tecumseh has a full summer program schedule which offers fun activities for all ages. One of the popular programs is setting up a race track for kids to drive Peg Perego cars on the library’s plaza. Tecumseh is partnering with other community partners to offer grief counseling for kids effected by a recent shooting in the area. The outpouring of support has been well received by the community.

Ms. Southard gave the Board an update on the Facilities Assessment. Kick-off meeting with managers was held introducing Kimberly Bolan and Associates to the management team, discussing the work of the Facilities Assessment as well as Strategic Planning. Background data gathering for the facilities assessment has been completed, building walk through for Main will take place June 19, and the branches will be added as well. Facility concepts for Main will be available the week of August 3. Much of the background data will also be repurposed for strategic planning. We are in the process of laying out the timeline for stakeholder meetings. Focus groups will begin after June 12, board focus groups will be convened in July and August, dates to be determined. The goal is to show the board facilities concepts at the August board meeting.
ADJOURNMENT

There being no further business to come before the board, the meeting adjourned at 3:50 p.m.
