The Board of Library Trustees of the Allen County Public Library met in regular session on Thursday, October 26, 2017 at 3:07 p.m. at the Main Library. Present: Mr. Seifert, presiding, Mr. Moss, Mr. Castleman, Ms. Shamanoff and Mr. Eisbart. Absent: Mr. Brown and Mr. Williams.

ADOPTION OF THE AGENDA

On motion of Ms. Shamanoff, the amended agenda, revising the order of business, was adopted.

OTHER BUSINESS

A concerned library customer attended the board meeting to address the Trustees on collection development issues she believes is occurring at multiple branches.

As the end of the year approaches, the board requested that Human Resources initiate an email for the 2017 Director’s evaluation process to begin. Mrs. Samulak will move forward with sending out communication inviting board members and senior staff to fill out the survey. Mr. Castleman will be in charge of compiling the survey data.

Ms. Southard informed the board that the library is currently $3,000 over what the board previously authorized for strategic planning expenditures. Once all bills have been finalized, which could be November or December, the board will need to take action to increase the budget.

On motion of Mr. Eisbart, the minutes of the following meeting were approved as written:

STRATEGIC PLAN

Mr. Rob Cullin, Strategic Planning Consultant, summarized the findings that were derived from the synthesis meetings, retreat, and public/staff forums. He also reviewed the draft version of the Strategic Plan Framework. The draft framework has been placed on the library’s website for public comment. Mr. Cullin distributed three versions of a new library mission statement and asked for board input. Consensus was made to share a survey link on the library’s website asking for staff members’ and the public’s feedback on an updated mission statement. The final Strategic Plan is expected to be presented at November’s board meeting.

SATURDAY CLOSINGS

Branches (except Aboite, Dupont, Georgetown, and Shawnee) will begin their summer schedule of Saturday closings on Saturday, June 2, 2018, and continue through Saturday, September 1, 2018.

REPORT OF DIRECTOR

Ms. Southard reported that staff have been finalizing the Summer Learning grant 2015-2016 report due to the Foellinger Foundation, and the grant application for 2018-2020 Summer Learning Program.

Building off of the Strategic Planning Retreat: Summary Data materials, at the October meeting of the full management team, the managers engaged in a modified strength/weakness exercise to assess staff/organizational baseline – where we are now on the seven high level themes captured in the summary data materials. This was the first of many group activities related to the development and implementation of the strategic plan.

This month instead of sharing happenings from around the library system in her written report, Ms. Southard included a more in-depth look at the work of two branches and one department at Main. The Pontiac and Aboite branches have utilized feedback from the strategic planning process and have reconfigured how they plan out programs and services to align better with their customers’ needs.
BYLAWS REVIEW

One standard from the State Library is that the Board should be reviewing the Board of Trustees’ Bylaws every three years. Records indicate the bylaws were last reviewed in November 2011. After a brief discussion, Mr. Seifert assigned a work group to review the bylaws. Volunteers for the committee are: Mr. Seifert, Mr. Eisbart, and Ms. Shamanoff. The committee will report out at the December board meeting.

ADJOURNMENT

There being no further business to come before the board, the meeting adjourned at 4:11 p.m.
